WELCOME!

A MESSAGE FROM THE PEACE RIVER BOATING ASSOCIATION

Welcome to the 2026 Peace River Gold Cup Jet Boat Championships!

We are thrilled to welcome race teams, volunteers, sponsors, and spectators to the beautiful Town of Peace River for one of the most exciting events of the summer. Set in the heart of the Peace River Valley, this region is known for its breathtaking river views, rolling hills, vibrant community spirit, and endless opportunities for adventure.

This year's race will take place on the legendary Peace and Smoky Rivers, where some of the best jet boat racers in the world will battle it out on the water. We invite you to take some time to explore the Peace Region and experience everything our incredible area has to offer. For trip ideas, local attractions, accommodations, and more, visit www.mightypeace.com.

An event of this scale would not be possible without the dedication and hard work of our volunteers, vendors, sponsors, officials, and race teams. Months of preparation have gone into making this weekend a success, and we are excited to finally bring the action to the riverbanks once again.

To stay up to date throughout the event weekend, be sure to follow the Peace River Boating Association on Facebook and Instagram, and visit www.jetboatracingcanada.com for race information and updates.

As you enjoy the races, please remember that safety is our top priority. Stay out of the water, avoid low-lying shoreline areas during racing, and follow all event signage and directions from officials and volunteers.

If you have questions or would like to get involved with the Peace River Boating Association, please contact us at prba2014@outlook.com.

Thank you for joining us and being part of this spectacular event. We hope you enjoy an amazing weekend of racing, community, and northernwestern Alberta hospitality.

THANK YOU

A BIG THANK YOU TO OUR EVENT VOLUNTEERS AND BOARD OF DIRECTORS FOR MAKING THIS EVENT A SUCCESS!

President: Felix Bergeron

Vice President: Blair Bambush

Secretary: Lorena Combs

Director: Greg Bernetic

Director: Kyle Petluk

Race Captain: Felix Bergeron

Support Boat Captain: Greg Bernetic

Timing Team: Lorena Coombes

OUR EVENT SPONSOR

Huge shoutout to Weaver Group Limited for being our Event Sponsor for the Peace River Gold Cup!

Their support goes far beyond this event. Over the years, Weaver Group Limited has continued to invest in the community through the Peace River Boating Association by supporting projects like the floating dock, new concrete ramp, helping maintain boat launches, and so much more. We are incredibly grateful for the time, effort, and generosity they continue to pour into our community. Thank you for helping keep jet boat racing and river culture alive in Peace River!

RACE FLAG MEANINGS

RED FLAG

A red flag displayed by a race official, support (safety) boat or race boat on the route implies an emergency. All approaching boats must stop.

YELLOW FLAG

A yellow flag displayed by a race official or a race boat means caution or danger. All approaching boats must slow down.

PURPLE FLAG

Delay in start time. Moved back two minutes.

BLACK FLAG

You will also notice a black flag displayed at the timing area signaling the ten minutes before the start of each leg. During this time the course is closed to traffic.

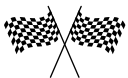

WHITE FLAG

A white flag will be raised one minute prior to the designated starting time of each boat and lowered simultaneously with the raising of the green flag at 10 second to start the race.

GREEN FLAG

A green flag will be raised ten seconds prior to the designated starting time of each boat and lowered at each designated start. When it is lowered-GO! The boats running time begins. Green flags are displayed on safety boats during the race also.

CHECKERED FLAG

A checkered flag is raised with the arrival of a boat at the finished area, and lowered when it crosses the finish line.

CBF POINTS PROGRAM

WESTERN ZONE RULES 2018

1. Point System for each CBF sanctioned Jet River Race
 - 1st Place - 25 Points
 - 2nd Place - 23 Points

 - 4th Place - 19 Points
 - 5th Place - 18 Points
 - 6th Place - 17 Points
 - 7th Place - 16 Points
 - 8th Place - 15 Points
 - 9th Place - 14 Points
 - 10th Place - 13 Points
 - 11th Place - 12 Points
 - 12th Place - 11 Points
 - 13th Place - 10 Points
 - 14th Place - 9 Points
 - 15th Place - 8 Points
 - 16th Place - 7 Points
 - 17th Place - 6 Points
 - 18th Place - 5 Points
 - 19th Place - 4 Points
 - 20th Place - 3 Points
 - 21st Place - 2 Points
 - 22nd Place - 1 Point
2. All points from each CBF sanctioned race to the boat owner
3. \$100 per boat entry to be paid by each hosting club to western zone CBF for overall class prizes split 1st 50%, 2nd 30%, 3rd 20% and paid to the boat owner
4. The overall Canadian winners will be based on total time for the season for all CBF sanctioned races, sponsored by Outlaw Eagle MFG. The winning boat will be allowed to run CDN! and must have competed in all CBF sanctioned races and start in every leg, allowed DNF but no DNS. The winning boat will received \$5000 from Outlaw Eagle Manufacturing, 2nd and 3rd place Canadian finishers can run CDN 2 and CDN 3 numbers if they wish. Decals will be supplied by Outlaw Eagle.
5. All new racers must have an orientation course and driving test, it is suggested that they start racing in FX class.
6. All new racers in class must start last in the heat.
7. "All Boat Canadian Drivers" must have pleasure craft operators license.
8. World anti-doping alcohol code in effect. Suspensions issued after 0.03 alcohol.
9. All race boats must be in the staging area before or during the green flag & have 15 minutes after their start time before getting a DNS.
10. Standardizing prize money, all classes the same, 1st 50%, 2nd 30%, 3rd 20%
11. All racers in A, CX, or FX caught cheating with engines will have their motor confiscated and sold with proceeds to charity, this racer will be banned for the season.
12. On engine tear downs "All Gaskets at Owners Expense"
13. All costs incurred from protests will be paid by the losing party.
14. All engine protests fees \$1000.00 other protests to remain at \$500.00.
15. All racers must have CBF Membership.

'UNLIMITED' JET CLASS SPECS

Prepare to be amazed by the sheer power and speed of the boats in the Unlimited Class. These boats push the limits of engineering and performance, featuring turbine engines and cutting-edge technology. These boats can travel up to 260km/h. Witness heart-pounding races as these high-performance machines tear through the water at incredible speeds, leaving spectators in awe.

UNLIMITED CLASS SPECS

Hull	Any shape or material with a minimum length of 16'.
Engine	Unlimited engine restrictions or modifications.
Exhaust	Any exhaust complete with mufflers. Jet Engines do not require mufflers.
Propulsion	Jet drive.
Roll bar	(Mounted & braced) Chrome moly recommended. No aluminum.
On board breathing system	Recommended.

'A' JET CLASS SPECS

A Class jet boats are powered by big V8 engines – delivering raw power and adrenaline-pumping performance on the water. These finely-tuned machines are built for agility and control, allowing race teams to navigate through technical legs with little to no mishaps. With races often decided by mere fractions of a second, every decision counts in the pursuit of victory. Many world championships have been won by A Class boats.

'A' JET CLASS SPECS

Hull	Any shape or material with a minimum length of 16'. <hr/>
Engine displacement	Engines allowed are V8 engines Up to 470CID 7700 cc OR up to 600CID 9900cc naturally aspirated with a single 1050CFM carburetor. <hr/>
Superchargers, blowers & turbos	Allowed at 1.8 X cubic inch ratio. <hr/>
Diesel engines	Are subject to any multiplication factors to obtain their racing class irrespective of whether forced induction is used <hr/>
Oxygenated fuel	Oxygenated fuel allowed. <hr/>
Exhaust	Any exhaust systems allowed with mufflers <hr/>
Propulsion	Jet drive. <hr/>
Roll bar	(Mounted & braced) Chrome moly recommended. No aluminum. <hr/>
On-board breathing system	Recommended.

'EVO' JET CLASS SPECS

'EVO' JET CLASS SPECS

Hull	Any shape or materia with a minimum length of 15'
Engine Components	Any engine allowed
Exhaust	Any exhaust allowed complete with mufflers. No oxygenated fuels allowed.
Propulsion	Jet drive.
Roll bar	No aluminum.

To monitor speeds all boats will carry a sealed Control GPS to monitor Max speed. Approved GPS monitoring units consist of Garmin 60 series or greater handheld units. These units must display the total trip distance and maximum speed attained during each leg.

A valid time will be awarded based on a total distance completed that is equal to or greater than the measured leg distance. Any competitor that presents a distance shorter than the measured leg distance will be awarded the slowest class competitor's time for that leg. A designated race official will document each class competitor's result and provide these results to the timer for calculation. In order to aid the process, it is recommended to label each GPS unit with the boat number.

Penalties will be applied to competitors that exceed the governed speed of 136 KM/H – 85 MPH. A 2 min penalty will be added to the total leg time for EACH 1.6 KM/H – 1 MPH beginning at 137 KM/H – 85.1 MPH. To foster fair competition, there will be no DNF penalties beyond the governed speed, only added time. Additionally, so long as the competitor completes the course before the Sweep Boat crosses the finish line, a valid time will be awarded.

Become a member today! The Peace River Boating Association (PRBA) is a non-profit organization based in Peace River, Alberta, dedicated to promoting and supporting jet boating jet boat racing and paddling sports in the region. Established over 27 years ago, the PRBA has been instrumental in fostering a vibrant river community.

One of the PRBA's primary roles is organizing the annual Peace River Gold Cup, a jet boat racing event that attracts competitors and spectators from various regions. Beyond event organization, the association is responsible for maintaining local boating infrastructure, including the North End and Lower West Peace boat launches. They have also newly renovated and maintain the Graham Flats Recreation Area.

JET BOAT RACING CANADA (JBRC) IS A NON-PROFIT ORGANIZATION DEDICATED TO PROMOTING AND ADVANCING THE SPORT OF JET BOAT RACING ACROSS THE COUNTRY.

Comprised of four affiliated race clubs—the Peace River Boating Association, Whitecourt Riverboat Association, Wapiti River Race Club and the BC Peace Country River Rats. JBRC emphasizes safety, professionalism, and community engagement in all its projects and events. JBRC plays a crucial role in supporting its affiliate organizations by providing regulatory guidance, safety resources, event planning assistance, technical support, promotional aid, and fostering community outreach.

This collaborative approach ensures that jet boat racing events across Canada are not only exciting but also well-organized and safe. Every four years, JBRC hosts the prestigious UIM World Jet Boat Championships, bringing together teams and spectators from around the globe to compete on Canada's challenging waterways. Through its dedication to the sport and its community, JBRC continues to foster the growth of jet boat racing in Canada, ensuring its vibrancy and excitement for years to come.

THOMAS HOMES & RV CENTER (1997) INC.

The race doesn't have to end at
the water's edge. After the jet
boats speed across the finish
line, hit the dirt in a new
Can Am ATV or Side by Side.

Visit Thomas Homes & RV
Center for all your off-road
adventure needs.
